SIR,

With reference to correspondence ending with G.O. No.1758-61 Muz. 217-30-4 dated 9th February '31 approving my action in holding an examination for the Pandits undergoing training in the different systems of Agamas, I have the honor to state that the three candidates, Messrs. Venkatasubramanya Sastri, K. Srinivasa Rangachar and C. Tirumalachar, are declared to have duly passed, the first two being placed in the First Class and the last in the Second Class. A statement furnishing the number of marks obtained by each in the several subjects, is enclos herewith for information.

As their period of training expired by the end of January 1931, they have been appointed as teachers in the grade of R. 50-5-100 as sanctioned by Government in their order No.1356/Muz.136-37-12 dated 21st January '29. This may be kindly approved.

The College Committee have stated, in regard to the continuance of the scheme, that they are unable to express any opinion in the matter. Since the present staff of teachers-inclusive of the three trained candidates-is quite sufficient for the purpose, in view of the ~~presented~~ limited demand for Agama training, I do not think it necessary to have any more teachers trained for the present.

In this connection I beg to invite reference to this office letter No.1186/28-29 dated 5th December '29 in which reference has been made to the necessity of editing and printing the literature on Agama Shastra which is/now all in manuscript and in 'vale' leaves. Much reseach work is

27

necessary in examining the manuscripts and preparing them for
As the teaching work in the School may not for the present, be hea
am of opinion that these three candidates may be usefully employed for
part time on that work under the supervision of Mahamahopadhyaya Pandi
ratnam Lakshmipuram Srinivasachar who, from all accounts, is eminently
fitted for this work. I understand he also intends to write an exhaust
treatise on the subject. It is very desirable to take full advantage o
the services which he is prepared to render in this connection. I there-
fore propose that the services of Mahamahopadhyaya Panditratnam Lakshmi-
puram Srinivasachar may be engaged for a period of one year in the
first instance on Rs50/- a month. I may also add that this will also
serve as a post-graduate course to the three candidates and improve their
efficiency considerably.

I request that sanction of Government may be kindly obtained to my proposals.

The cost on account of the same during the remaining period of the current year may be met from the Savings in the amount of Rs1000/- allotted for Travelling Allowance under Agama Classes in the General Muzrai Fund Budget for the current year and from the provision to be made in the future budgets.

Government order No. 1356-9/Muz.133-27-12 dated the 21st January 1929 about the training of Pandits in Agama Sastra.

2. Government order No. 1342-5/Muz.133-27-22 dated the 7th/8th January 1930 on the same subject.

3. Correspondence ending with the following letter No. 1196 of M&S 1928-29 dated the 23rd March 1931 from the Mysore Commissioner submitting a report on the result of the training given to the Pandits in Agama Sastra and formulating proposals for the utilisation of the services of these Pandits:-

With reference to correspondence ending with G.O. No.1758-61/Muz. 217-30-4 dated 9th February 1931 approving my action in holding an examination for the Pandits undergoing training in the different systems of Agamas, I have the honor to state that the three candidates, Messrs Venkatasubramanya Sastri, K. Srinivasa Rangachar and J. Tirumalachar, are declared to have duly passed, the first two being placed in the First Class and the last in the Second Class. A statement furnishing the number of marks obtained by each in the several subjects, is enclosed herewith for information.

As their period of training expired by the end of January 1931, they have been appointed as teachers in the grade of Rs. 50-5-100 as sanctioned by Government in their order No.1356/Muz.133-27-12 dated 21st January 1929. This may be kindly approved.

The College Committee have stated, in regard to the continuance of the scheme, that they are unable to express any opinion in the matter. Since the present staff of teachers - inclusive of the three trained candidates - is quite sufficient for the purpose, in view of the present limited demand for Agama training, I do not think it necessary to have any more teachers trained for the present.

In this connection I beg to invite reference to your office letter

No. 1180/28-29 dated 6th December 1919 in which reference ~~xxxxxxx~~ ~~xxxxxxxxxxxxx~~ has been made to the necessity of editing and printing the literature on Agama Sastra which is all now in manuscript and in 'Vale' leaves. Much research work is necessary in examining the manuscripts and preparing them for printing. As the teaching work in the School may not for the present, be heavy, I am of opinion that these three candidates may be usefully employed for part time on that work under the supervision of Lakshmanacharya ~~xxxxxxxxxxxxx~~ Panditaratnam Lakshmipuram Srinivasachar, who, from all accounts, is eminently fitted for this work. I understand he also intends to write an exhaustive treatise on the subject. It is very desirable to take full advantage of the services which he is prepared to render in this connection. I therefore propose that the services of Lakshmanacharya Panditaratnam Lakshmipuram Srinivasachar may be engaged for a period of one year in the first instance on Rs. 50/- a month. I may also add that this will also serve as a post-graduate course to the three candidates and improve their efficiency considerably.

I request that sanction of Government may be kindly obtained to my proposals.

The cost on account of the same during the remaining period of the current year may be met from the savings in the amount of Rs. 1000/- allotted for Travelling Allowance under Agama Classes in the General Kuzrui Fund Budget for the current year and from the provision to be made in the future budgets.

Order No. 2192 [illegible] dated, Bangalore, the 4th April 1921.

The proposals of the Kuzrui Commissioner are sanctioned. He is requested to have a programme of work regarding the writing and printing of the manuscripts prepared and to submit it for the approval of Government.

The College Committee have stated, in regard to the continuance of the scheme, that they are unable to express any opinion in the matter. Since the present staff of Teachers—inclusive of the three trained candidates—is quite sufficient for the purpose, in view of the present limited demand for Agama training, I do not think it necessary to have any more Teachers trained for the present.

In this connection, I beg to invite reference to this Office letter No. 1186—28-29, dated 5th December 1919, in which reference has been made to the necessity of editing and printing the literature on Agama Sastra which is all now in manuscript and in 'Vale' leaves Much research work is necessary in examining the manuscripts and preparing them for printing. As the teaching work in the School may not for the present, be heavy, I am of opinion that these three candidates may be usefully employed for part-time on that work under the supervision of Mahamahopadhyaya Panditratnam Lakshmipuram Srinivasachar, who, from all accounts, is eminently fitted for this work. I understand he also intends to write an exhaustive treatise on the subject. It is very desirable to take full advantage of the services which he is prepared to render in this connection. I therefore propose that the services of Mahamahopadhyaya Panditaratnam Lakshmipuram Srinivasachar may be engaged for a period of one year in the first instance on Rs. 50 a month. I may also add that this will also serve as a post-graduate course to the three candidates and improve their efficiency considerably.

I request that sanction of Government may be kindly obtained to my proposals.

The cost on account of the same during the remaining period of the current year may be met from the savings in the amount of Rs. 1,000 allotted for Travelling Allowance under Agama Classes in the General Muzrai Fund Budget for the current year and from the provision to be made in the future budgets.

OFFICE OF THE MUZRAI COMMISSIONER IN MYSORE.

Dated, Bangalore, 25th November *1931.*

FROM

Muzrai Commissioner in Mysore.

To

Rajaseva Durandhara
B. Srinivasa Iyengar, Esq., B.A., B.L.,

Secretary to the Government of His Highness
the Maharaja of Mysore.
Financial *Department.*

SIR,

With reference to G.O.No.2132-5/Muz.217-30-6 dated 4/6th April 1931 calling for a programme of work for editing and printing of Agama literature by the Agama Pandits under the supervision of Mahamahopadhyaya Pandit Tatvagna Lakshmipuram Srinivasachar, I have the honor to forward herewith a copy of letter No.542 dated 7/9th June 1931 together with that of its enclosure received from the Principal of the Maharaja's Sanskrit College, Mysore, forwarding a programme of work drawn up in consultation with Pratah Smarniya Lakshmipuram Srinivasachar. The Agama Pandits have been engaged for about 6 hours in the morning and they will attend to the editing work in the afternoon.

2. It was ascertained from the Agamika of this office that some of the works proposed were not of practical use and that some others had already been published elsewhere in other parts of India and as such the Principal was asked to submit revised proposals in the light of the opinion mentioned above. The Principal after consulting the Editing Committee has replied to say that the scheme as originally drawn up by Pratah Smarniya Lakshmipuram Srinivasachar may be allowed to stand so far as the ritual or "Tatva" aspect of Agama is concerned but as regards the practical ~~working~~ worship in the provision of the existing public shrines

in the Puzrai Department may, if necessary, be taken up with help of Agama specialists of the college later on. It is also reported that the editing of the marginally noted works has been taken up for the current year and that the cost of publishing the same would come up to Rs.1350/ if 500 copies of each are to be got printed or to Rs.1950/- if 1000 copies are to be got printed.

1. Saivagama "[illegible]"
2. Vaikhanasa "[illegible]"
3. Pancharatra "[illegible]"

3. I agree with the opinion of the College Committee that the editing of works relating to the theoretical aspect of Agamas should be taken up now by the Agama Pandits and request sanction to the programme drawn up by Vidwan Sri Lakshmipuram Srinivasachar, the works being ordered to be taken up in the order of merit. The works now taken on hand in anticipation of sanction may also be approved, 500 copies only of each being ordered to be got printed as there may not be much demand for works of this kind, the cost being met from the General Puzrai Fund.

I have the honor to be,

Sir,

Your most obedient servant,

Puzrai Commissioner.

Letter No.542/ dated 7/9th June 1931 from the Principal, Maharaja's Sanskrit College Mysore to the Huzrai Commissioner in Mysore.

With reference to your letter No.1186-28-7 dated 28th May 1931 asking me to send a Programme of the work of editing and -- printing of Agama works to be entrusted to the Agama Teachers --- newly appointed, I have the honor to enclose herewith for favour of approval a scheme drawn up by Mahamahopadhyaya Lakshmipuram ----- Srinivasachar.

Of the three items of work proposed under Pancharatra Agama "Agamapramanya" may be taken up first.

The Curator, Oriental Library, Mysore, has been requested to send all the available manuscripts of the above work and of the works proposed under Vaikhanasagama and Saivagama. A communication may kindly be sent from your office to place at our disposal all the available books for the work of editing. The books are needed urgently.

An estimate of the cost of printing the works will be sent to you soon after receipt of certain information which has been called for from Government Branch Press, Mysore.

The teachers have been entrusted with Teaching work for two hours in the morning and they will attend to the editing work in the afternoon. The programme of editing and printing of the works as at present proposed is said to take one year.

I am glad to be able to report that H.H. the Parakala Swamy has agreed to contribute an introduction to "Agama Pramanya" ---- proposed to be edited under Pancharatra Agama.

Approval may kindly be obtained for the scheme of editing.
